Planned World

Describe your planned rooms. Include at least four rooms.

Room ID	Room Name	Description	Connected Rooms
0	Bus Station	Final mission spot. Meet EunJeong Kim. Defeat her by making her stop speaking. (Solution: Say the word“RC.”)	Stay
1	IoT Laboratory	Meet Hyunwoo Lee. Do a “Binary Game” with him and win.	Kentech hall, Library
2	C404	Meet George. Listen to an English word and choose the right definition.	Kentech hall
3	A205	Meet SeungHyeon Yoon. Solve a data structure quiz to move on. Or else, you have to listen to his class.	Kentech hall
4	Cafe STAY	Getting stamina	Bus station
5	KENTECH Hall (1st floor)	Starting point	Stay, Library, Stay, A205, C404, IoT
6	Library	Getting information about Monsters and items.	Kentech hall, IoT lab

Planned Items

Item Name	Location	Effect or Purpose	Value
Financier	Cafe STAY	Earn power	
Coffee	Cafe STAY	Earn power	
Time table for each time	C404, IoT, A205	Meet monsters	-
Piece of key for escape	C404, IoT, A205	Meet monsters	-
Vocabulary list	Library	Use it to select the correct meaning against George.	-

Stun gun	KENTECH Hall	Make Hyunwoo Lee slower.	-
Map	Library	See road of KENTECH	-
Note	All the rooms	Getting some hints about this game.	-

Planned Events or Monsters

Event or Monster	Location	Trigger	Effect
George	4th floor (C404)	Game Start	
Hyunwoo Lee	3rd floor (IoT)	Time table (monsters will give the next time table after being defeated)	
SeungHyeon Yoon	2nd floor (A205)		
EunJeong Kim	Bus Station		

Data-Structure Mapping

Data Structure	Planned Feature	Why This Structure Fits
Linked list	Inventory	
Stack	Undo movement	
Queue	Event processing	
Binary search tree	Scores/search	
Graph	Room map	
Sorting	Ordered display	

Risks and Plan

List at least three risks and how your team will handle them.
